# ABOUT THE PROJECT

This youth exchange responds on the need to address social exclusion, discrimination and hate speech in participating countries. Through the youth exchange the participants will not just develop gain new knowledge on social exclusion, discrimination but moreover they will strengthen their skills to realize 'human library' event in their communities and directly contribute to process of creating socially inclusive society.

Objectives of youth exchange:

- a) To develop participant's competencies in the area of social exclusion, discrimination and hate speech, to raise their theoretical knowledge about these concepts;
- b) to provide the participants an opportunity to learn and explore various activities and tools being used to fight social exclusion, discrimination and hate speech, with special focus to be paid to human libraries;

# PROFILE

## OF PARTICIPANTS

- Every country will send 6 participants (3 males and 3 females) + 1 group leader

- Young people in age of 18 to 25;
